

FREE PROGRAM
Turf Care Truths and Tips
Lawn Management for a Healthy Watershed

Presented By
Jack MacKenzie

Master Watershed Steward

Sponsored by:
CLFLWD

St. Croix Valley Foundation
Bone Lake Association
Comfort Lake Association
Forest Lake Lake Association

**Are you interested in the health of your lake, stream and watershed?
Do you want to maintain your property in a responsible fashion, yet
enjoy the aesthetics of your turfgrass?**

Would you like a better looking lawn for less money?

**Join your neighbors and friends for an informal evening of property
management education at:**

6:00 pm - 7:30 pm with one half hour of Q&A until 8:00

The Scandia Community Center

April 17th, 2017 and

The Comfort Lake Forest Lake Watershed District Office in FL

April 25th and 26th & May 3rd and 9th

At the end of the program participants will receive a free cooler filled with materials from the MnDNR, MnDA, MnPCA, UMN and the CLFLWSD to help you maintain a nice yard and more importantly, improve the health of the watershed.

One cooler per household please.

All residents of the St. Croix Watershed are welcome
