

44 Lake Street South Suite A, Forest Lake, MN 55025

Phone 651.395.5850 Fax 651.395.5851 www.clflwd.org

The Comfort Lake-Forest Lake Watershed District has an opening for a Seasonal Technician. This is a 40 hours per week full time position within a collaborative office that will last from April to October, 2018. This position will be paid \$15.00 per hour and is not eligible for benefits. The primary focus of this position will be providing support to District staff with regard to the District's permitting program. This may include a variety of primary and cross-functional secondary responsibilities including serving as a permit inspector, reviewing permit application materials, meeting with contractors at construction sites, and overall tracking of permitting program records. This position will also participate in District activities related to watercraft inspections, education and outreach, Best Management Practice cost-share programs, and supporting the District's invasive species monitoring and treatment programs on an as needed basis. Assistance with Board meetings and additional administrative and/or field duties may be assigned at the discretion of the District Administrator. Minimum Requirements: Associates Degree (Bachelor preferred) earned in natural sciences, environmental science, geography, engineering, water resources, or related field preferred. Strong interpersonal and organizational skills required, along with ability to interpret technical reports. Proficiency in written communication and working knowledge of computer software including the Microsoft Office suite is required. Call 651-395-5857 or email mike.sorensen@clflwd.org for additional information. If interested, please submit resume and letter of interest to mike.sorensen@clflwd.org. Position open until filled. www.clflwd.org
