

**COMFORT LAKE-FOREST LAKE WATERSHED DISTRICT
CITIZEN ADVISORY COMMITTEE UPDATE
Tuesday, February 15th, 2022**

1.) Meeting cancellation

There was no meeting of the Citizen Advisory Committee this month as several members were unavailable. Our next meeting will be Tuesday, March 15th.

2.) Materials for review

CAC members were sent an email with items to review for future meetings. These discussion items included: ideas for a state of the watershed event; ways of engaging district residents to explore winter salt usage throughout the area; and the potential hosting of a GreenCorps member in the future.

3.) Manager attendance

Members of the Board have currently signed up to attend all monthly CAC meetings except November. Manager Douglas Toavs has committed to attending the next meeting on March 15th.
