

MEMORANDUM
Comfort Lake-Forest Lake Watershed District

To: Board of Managers

Date: July 24, 2020

From: Mike Kinney

Subject: Washington Judicial Ditch 6 Projects

Background/Discussion

At the May 28, 2020 regular meeting, the Board discussed the 2019 Washington Judicial Ditch 6 (WJD-6) Feasibility Report, including potential capital improvement projects in the subwatershed. At that time the Board expressed interest in discussing this topic further during a future meeting so managers would have more time to discuss each project in greater detail in order to gain a fuller understanding. This discussion may continue at the July 30th special meeting. Managers are encouraged to reach out to staff in advance of the meeting with any questions or requested additional information.
