2020 CLFLWD Board Meetings and Permit Exhibit Deadlines

Permits for erosion control alone can be issued administratively, meaning they do not require approval from the District Board of Managers. If any other District Rules (e.g. stormwater management) are included in the permit, the application must be approved by the Board of Managers at one of their public meetings. All exhibits must be submitted to the District 30 days prior to the next board meeting in order to be put on that meeting's agenda.

Board meetings will generally be held at 6:30 p.m. at the Forest Lake City Hall on the fourth Thursday of the month. See the [2020 CLFLWD Board Meeting Schedule](#) for exceptions.

Additional board meetings may be held throughout the year. However, these meetings are largely for discussion purposes only and are subject to cancellation. Permit applications will not be reviewed at these meetings unless special circumstances require.
