## PUBLIC NOTICE: Curly-leaf Pondweed Herbicide Treatment on Moody Lake

**Scandia, MN** - Notice is hereby given that the Comfort Lake - Forest Lake Watershed District, in conjunction with the MN Department of Natural Resources, will be conducting an aquatic invasive species herbicide treatment of curly-leaf pondweed in Moody Lake. An [Endothall](#) herbicide will be used and will be applied by a licensed applicator company, Lake Management Inc. Treatment of 3.76 acres of curly-leaf will occur within the month of May. Much of the treatment is within 150 feet from shore, requiring permission from landowners prior to herbicide application. Letters requesting permission from landowners on the lake were sent in early May. A map of the treatment areas may be found below.

Questions about treatment may be directed to:

Mike Kinney, Administrator  
Comfort Lake - Forest Lake Watershed District  
44 Lake Street South, Suite A  
Forest Lake, MN 55025
